

PiLOTE OWNERS ASSOCIATION

An organisation for the owners of Motorhomes produced by Groupe Pilote SAS

Dealers Stamp if applicable

Thank you for requesting information about the Pilote Owners Association. Since being formed in November 1987 Groupe Pilote have acquired additional marques and the Association accepts membership applications from the owners of most marques manufactured by Groupe Pilote

The Association is run by an elected committee and meets are informal and friendly. **New members will receive a discount of £20 off their first ever rally with the Pilote Owners Association.** Annual total membership varies between 100 and 200 vans and meetings occur regularly throughout the year, some of which are at Trade shows where we support Groupe Pilote dealers by our presence.

The Membership fee is currently £18.00 per van and covers all family members living at your stated address, We hold an Annual General Meeting each year in the spring where members can have their say on all matters concerning the association. Membership is renewed annually, which currently is from the 1st November. Please make your cheque payable to the "PILOTE OWNERS ASSOCIATION". BACS payment is available – please ask for details. Please return the entire form completed clearly in capital letters, including your postcode.

Upon receipt of your payment, a 'welcome' pack will be sent to you. This will contain a Diary of Events for the current year, a Membership Card, the current Newsletter, a copy of the Constitution & Rules and a POA window sticker which should be displayed prominently on your van. You will then be eligible to attend meets. Three Newsletters are published each year and are normally sent to you by email. The aims of the Association are to promote an interchange of ideas between members and dealers and to provide meets where members can enjoy both their motorhomes and the friendship of fellow members to the full.

I look forward to receiving your application in the near future.
